██████████. We know how.

20 " (realshot)

Hello ladies and gentlemen,  
My name is Ms. Dr. Müller and I would like to introduce to you in the next few minutes one of the greatest innovation in the field of ██████████ of the last years. Nowadays ██████████ fulfil a lot of needs in terms of fashion or protecting items. But could you also imagine that ██████████ can moisturize very effectively your skin as well?

3 " (still)

For instance while you are working, .....

3" (still)

.....or while you have fun with your friends .....

3" (still)

.....or while you are simply relaxing at home....

15" (realshot)

...every time, on every place!

I sounds a bit strange, but for shure it can and it works.Thanks to a ( )' invention called :

textiles offer a new dimension in skin care.

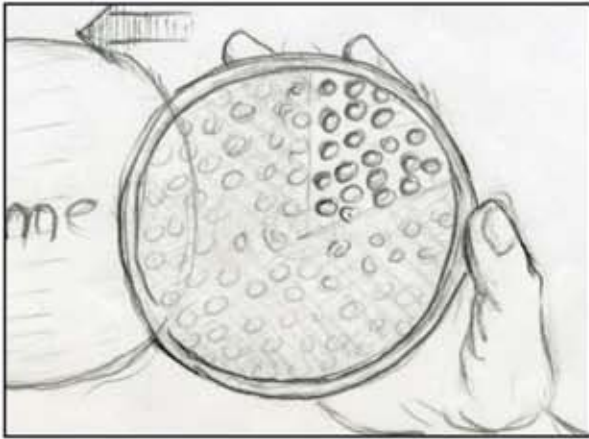

Very comfortable, very effectively and very easy to handle.You may now ask how it works.

Then please have a look at our animation..."

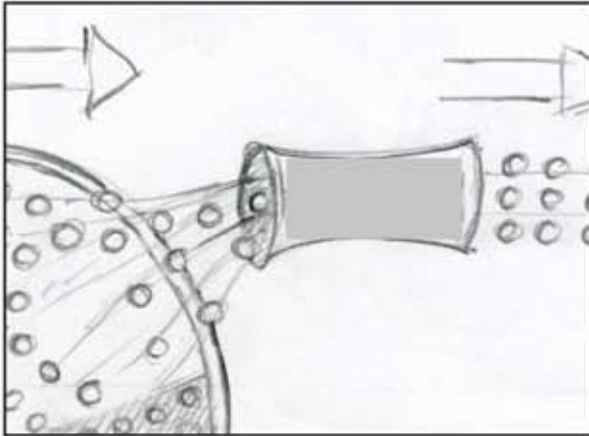

5" (animation)

Let's start with a body cream you are probably using every day, every week, or every month.

15 “ (animation)

These sorts of creams normally consist of 80 % fats and around 20 % of active ingredients which make the effect on your skin. The bulky fats are necessary in order to bind them and make the cream useable.

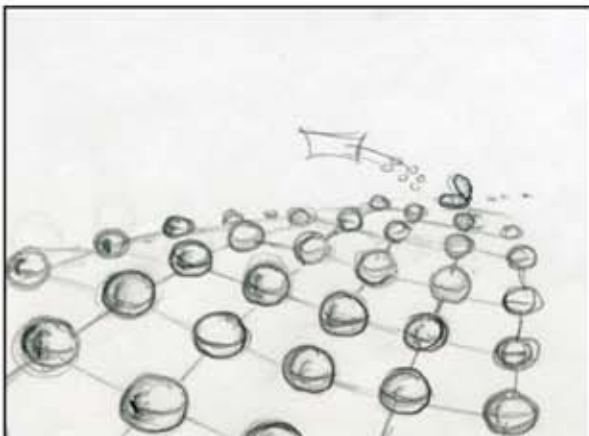

15 “ (animation)

In contrary to creams [redacted] only take the high grade active ingredients such as [redacted], a luxury moisturizer with a rich beauty tradition or vitamin E which helps to protect free radical.

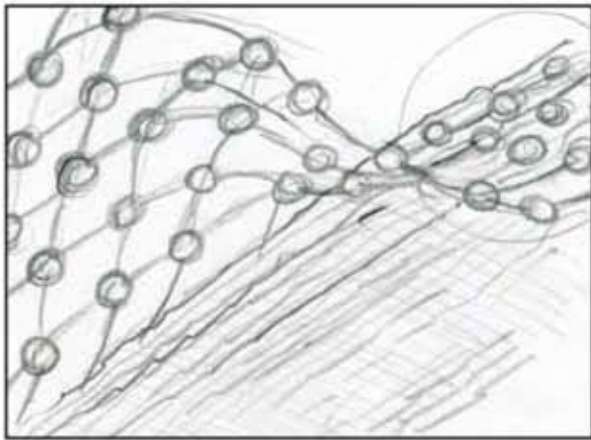

15 “ (animation)

These active ingredients are being filled up into [redacted]s and .....

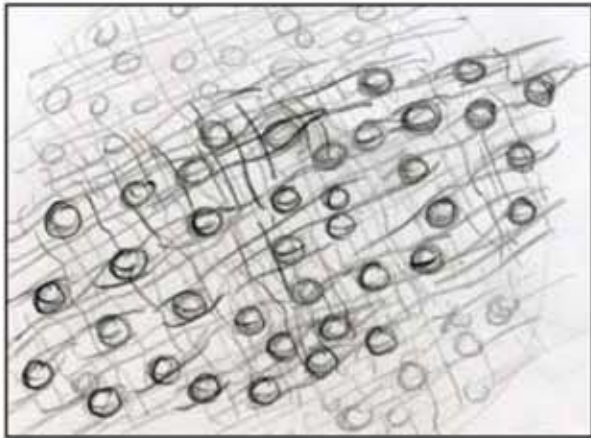

15” (animation)

....getting embedded by an innovative technique into the [redacted].

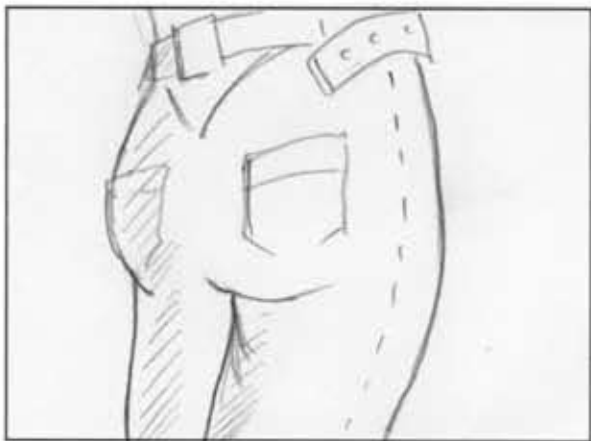

5 " (animation)

By wearing so treated f [redacted]; the .....

5 " (animation)

..... [redacted] s release the active ingredients over the time directly ([redacted]), ....

5 " (animation)

...ingress them and flower out its virtue...

5" (animation)

....very effectively.

15" (animation)

The remarkable performance of [redacted] also correlates to its quantity of [redacted]. Measured by those quantity [redacted]s contain 5 times more active ingredients than a simple 200 g bodycream. In other words: [redacted]; treated by [redacted] profits from a content of 5 x 200 g creams.

Isn't it fantastic?

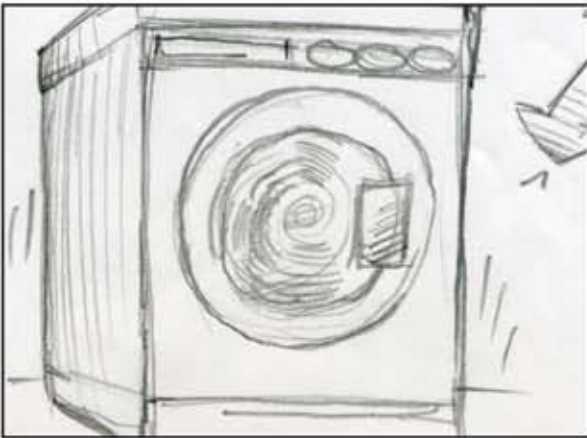

10 " (animation)

No wonder that tested consumer are enthusiast and could affirm that : [redacted] < smoothen their skin as independent tests have proofed.

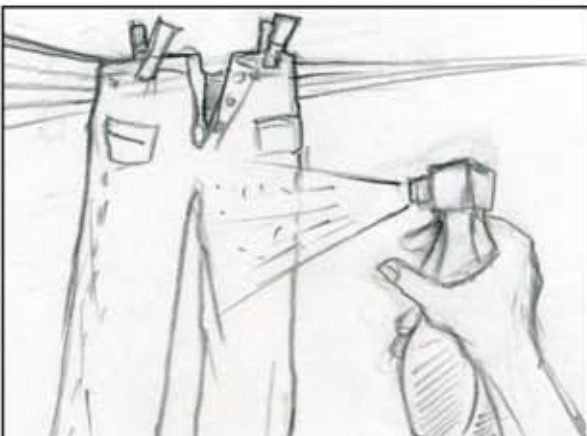

After dropping off your pants after a hard working day you will feel and enjoy your perfectly moisturized skin. Your skin keeps smooth and fresh.

That's the new way of skin care. Thanks to [redacted].

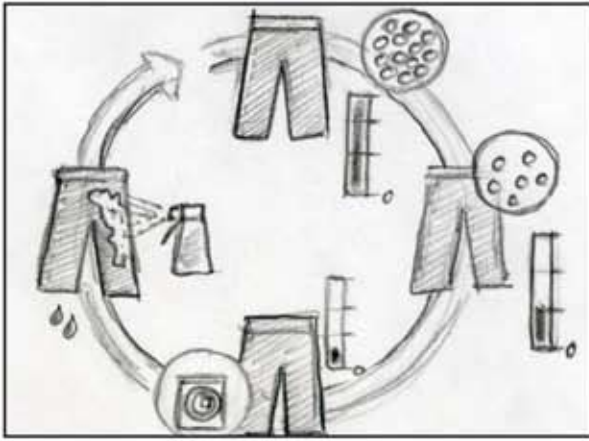

10 " (animation)

After having washed the t [redacted] up to 10 times the moisturizing effect is being reduced....

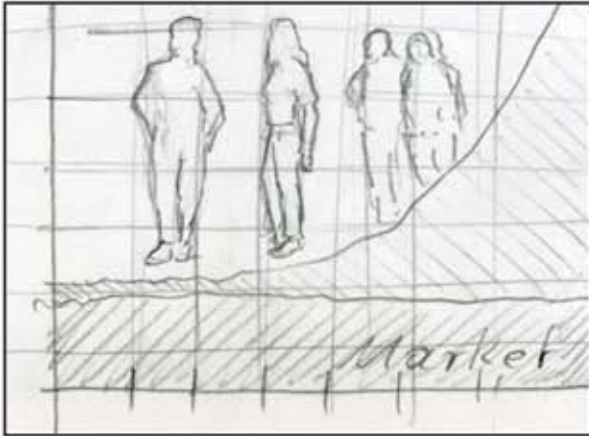

10 " (animation)

...but by using [redacted] you can easily extend.....

5 " (animation)

...its virtue as you like and how long you like. Just spraying is sufficient.

10 " (animation)

In terms of marketing : [redacted] would enhance your profile as a marketing leader and give you very strong arguments towards your consumers.

Be the first to offer in order to profit the most of it!

15 " (realshot)

Ladies an Gentlemen,  
we hope that this short animation could help you to understand how : [redacted] works and which fantastic solutions [redacted] offer to your costumers.  
This is the future way of [redacted] by v [redacted] ; [redacted] . A real benefit customer will appreciate. Thank you very much for your attention!  
Good by and see you soon
